## Notice:

- Please create your artwork to match the available printing space.
- Please use the CMYK colour channel to design your artwork since it's compatible with most printing machines.
- Please convert your text to curves or outlines in the artwork to prevent any font-related changes.
- Please avoid using large blocks of colour in the artwork as they may not produce a desirable artistic effect.
- You must hold the copyright for the artwork and be responsible for any copyright-related issues.
